SAUSKA FURMINT 2015
BIRSALMÁS-VINEYARD

"It was aged for five months in 30% new barrels (80/20 French and Hungarian) and comes in at 13% alcohol. It had partial (60%) malolactic fermentation. An older vintage that is holding well. Nicely focused and balanced, this is just a little more capable of holding up to a wider array of food pairings."
