SAUSKA CABERNET FRANC
MAKÁR 2013

"Aged for 18 months in 30% new French oak. It's deep and ripe, a rather burly and fleshy Cab Franc. If you're a Loire purist looking for focus and freshness, this won't be your first choice. That said, it does an awful lot right in its own style. It should continue to age well over the next decade, at least."
