Sauska Rosé

Villány 2020

The 2020 Sauska Rosé blend's backbone is indigenous Kékfrankos (Blaufränkisch), charmingly framed by the other varietals Syrah, Merlot, and Cabernet Sauvignon. Bursting aromas of hibiscus, forest berry and pear lead the nose, pomegranate, raspberries, and tart cherries dominate the mouthfeel. Fresh, balanced, and clean on the palate, with good length and playful minerality.

Blend:	cabernet sauvignon, merlot, kékfrankos, syrah
Recommended drinking temperature:	10 °C

Vineyards

From two stunning young plantations of sub-region Siklós. 100% own plantation, spotless.

The Year

Early 2020 Villány soil contained a significant amount of excess water after the wet winter. At the end of March Siklós vineyards were covered by snow. Bud-break came late and progressed slowly, the two-month blooming period was chilly and dry. The cold summer lasted painfully long, until early August, which slowed down ripening. September saved the vintage with record-breaking warm temperature and unique day-night temperature fluctuation, which is extremely beneficial in building aromas and minerality, also preserves bright color. This is a vintage of lean, unique, interesting wines. Can't wait to taste them!
