

Sauska Cuvée 7 Siklós

Villány 2017

Recommended drinking temperature:	17-18 °C
Alcohol content:	14,5 %
Bottle size:	0,75 l

A light-hearted Bordeaux-blend with Merlot backbone. Deep ruby, layered, vibrant, and fruit-forward, earthy, especially rich in wild berries. On the palate lovely silky tannins, rosemary, and dry herbs. Great lengths and freshness, irresistible minerality characterize this red thanks to the windy Siklós plateaus. A polished and elegant red with great aging potential.

Winemaking

Three days cold maceration of accurately hand-sorted, clean berries. 35 days of total maceration in stainless steel tanks. Full, partial natural malolactic fermentation before the press. Aged for 15 months in 70% used and 30% new French oak barrels.
