

Sauska Cuvée 7 Siklós

Villány 2019

Recommended 17-18 °C °C
drinking temperature:
Alcohol content: 14,5 %
Bottle size: 0,75 l

A complex and layered Merlot- based blend complemented with Cabernet Franc and Cabernet Sauvignon. Aromas of ripe plum and blueberries with an elegant touch of vanilla and sweet tobacco coming from the oak barrel ageing. In the palate is intense yet round with upfront and ripe tannins, ripe blackberry flavours and dark chocolate aftertaste. The Year The rollercoaster-like 2019 vintage produced inky wines with balanced tannins and acidity. It started after the driest winter in 10 years and with an earlier-than expected bud break. Then the warm and cool weather waves happened in a roller coaster fashion: warm early-spring, cold late-spring; cold early-summer, warm late-summer; cold early-autumn, warm late-autumn. Grapes for our Cuvée 7 wines were picked relatively late with a fantastic concentration of flavors, color, and freshness.

Winemaking

After a 3-tier thorough selection of hand-picked clusters, the grapes were de-stemmed and after a couple of hours of pre-fermentative cold soak, the fermentation started. Fermented happened in stainless steel tanks. After 35 days of skin-contact, the wine was gently pressed. Aged for 15 months in 225-liter French barrels. 30% new oak was used. Bottle aging: 2 years.

Details

Type	Red wine
Acidity	5,5 g/l
Alcohol content	14,5 %
