

Sauska Kadarka

Villány 2020

Recommended drinking temperature:	12 °C
Alcohol content:	14 %
Bottle size:	0,75 l

Medium ruby. Crunchy sour cherry and fresh red currant on the nose next to the variety's classic intense spiciness of Sichuan pepper and cinnamon with a touch of smokiness coming from the barrel ageing. Refreshingly medium bodied wine with flavors of red plum, hibiscus with a light touch of oak. This is a richer style of an otherwise light variety.

Winemaking

After thorough selection of the clusters, the grapes were de-stemmed and after a couple of hours of pre-fermentative cold soak, the fermentation started. Fermentation happened both in stainless steel tanks and in oak barrels. After 30 days of skin-contact, the wine was gently pressed. Aged for 10 months in 500-liter barrels (30% new).
