

Sauska x Ökumenikus Segélyszervezet Cuvée

Villány 2016

Recommended drinking temperature:	17-18 °C
Alcohol content:	14 %
Bottle size:	0,75 l

As a result of our long partnership with Hungarian Interchurch Aid (HIA) we now proudly offer two remarkable wines for the winter holiday season. For each bottle purchased, the winery supports the work of HIA helping needy families and children with HUF 1,500. Sauska Cuvée 2016 is a limited edition, specially labeled, full-bodied Villány blend of Kékfrankos, Cabernet Franc and Cabernet Sauvignon. Aromas of cherries, rosehips, oriental spices and oak lead the nose followed by red berries and fine tobacco on the palate. Its playful minerality is nicely framed by well-integrated wood.

Winemaking

Hand-sorted berries gently crushed and briefly soaked. Total maceration in stainless steel tanks to preserve the grape primer character. Aged for 15 months in used and new (20-25%) French oak barrels.
