Villány 2023

Recommended drinking temperature:	10 °C

Elegant rose petal color. Pink pomelo aromas dominate on the nose next to lavender and crunchy nectarine. Dry palate with bursting freshness and a zingy grapefruit and white peach flavor. Light and refreshing.

Winemaking

After thorough selection of the clusters, the grapes were de-stemmed and immediately pressed to have the least amount of time with the skin possible and get a pale rosé color. Fermented at low temperature in stainless steel tanks. No malolactic fermentation and no barrel ageing in order to produce our desired crisp and fresh style. Aged on its lees until bottling.
